

PACKING LIST FOR GLACIER AND WATERTON

When packing for Glacier and Waterton national parks, consider a wide range of weather conditions and that you'll be outside most days.

If you're planning on hiking or exploring the backcountry, you'll want to pick up some bear spray once you arrive. It's a must, but you can't fly or cross the border with it!

Here's our checklist of the essentials for your trip to Glacier and Waterton.
